

Cipher Mining Technologies Inc. Appoints Patrick Kelly as Chief Operating Officer

March 30, 2021

NEW YORK, March 30, 2021 /PRNewswire/ -- [Cipher Mining Technologies Inc.](#) ("Cipher Mining" or the "Company"), a newly formed U.S.-based Bitcoin mining company, today announced the appointment of Patrick Kelly as Chief Operating Officer. Mr. Kelly will oversee Cipher Mining's day-to-day operations, with a focus on delivering on the Company's commitment to provide the vital foundation required for the Bitcoin network to flourish into the future.

"Patrick is a proven executive who brings strong leadership experience to our management team," said Tyler Page, Cipher Mining's Chief Executive Officer. "His extensive background in designing and maintaining innovative fintech operating environments as well as execution of complex business strategies make him a great asset to our innovative team. Patrick's dedication and meticulous focus will ensure that Cipher can realize our ambition to become the leading Bitcoin miner in the United States."

"I am honored to be joining Cipher Mining's talented leadership team," said Mr. Kelly. "I look forward to working closely with Tyler and the entire team to build the leading Bitcoin mining company in the United States. Together we can build a market-leading operation and deliver long-term value for our investors and the broader Bitcoin community."

Mr. Kelly joins Cipher Mining from Stone Ridge Asset Management, where he served as Chief Operating Officer and co-founder, overseeing operations, technology and accounting. He also served as Treasurer and Principal Financial Officer for the Stone Ridge Trusts. Mr. Kelly has also served as a member of Atalaya Capital Management's Advisory Board, where he managed the build-out of Funding Path, a proprietary technology for facilitating complex business-to-business payments.

Mr. Kelly began his career at Citadel and has held leadership roles at Magnetar Capital and D.E. Shaw & Co. He graduated from DePaul University and is a CFA Charterholder.

About Cipher

Cipher will be established as an industrial-scale Bitcoin mining company dedicated to expanding and strengthening the Bitcoin network's critical infrastructure. Our goal is to be the leading Bitcoin mining company in the United States. We expect that the operations at our four initial planned data centers in Ohio and Texas will enable the Bitcoin network to continue to operate and flourish. Through our business model, Cipher expects to operate powerful computers that mine Bitcoin and validate transactions on the Bitcoin network. We believe Cipher will leverage our best-in-class technology, market-leading power purchase arrangements, and a seasoned, dedicated senior management team to become the market leader in Bitcoin mining. Cipher Mining Technologies Inc. announced on March 5, 2021 that it had entered into a definitive agreement for a business combination with Good Works Acquisition Corp. (Nasdaq: [GWAC](#)) ("Good Works"), a U.S. publicly-traded special purpose acquisition company. Upon the closing of that transaction, the combined company will be named Cipher Mining Inc. ("Cipher" or the "Company") and is expected to be listed on the Nasdaq under the new ticker symbol "CIFR".

About Good Works

Good Works is a blank check company organized for the purpose of effecting a merger, share exchange, asset acquisition, stock purchase, recapitalization, reorganization, or other similar business combination with one or more businesses or entities. The Good Works name reflects the fact that its management and directors donated half of their founder shares to charitable organizations in light of the impact that COVID-19 has had on the ability of non-profits to generate contributions and revenues. The Company's management team consists of Messrs. Fred Zeidman, CEO and Co-Chairman, Douglas Wurth, Co-Chairman, and Cary Grossman, President. I-B Good Works, LLC, an affiliate of I-Bankers Securities is the sponsor of Good Works.

Good Works is a publicly-traded special purpose acquisition company, or SPAC, with approximately \$170 million in trust. Management of Good Works has deep experience in private equity investing, corporate finance and executive level management in a number of industries. In addition, they have experience in Bitcoin mining through involvement in a Power Hosting Company and have extensive experience in SPAC mergers and board governance of public and private companies.

Forward Looking Statements

This document contains certain forward-looking statements within the meaning of the federal securities laws with respect to the proposed business combination between Good Works Acquisition Corp. ("Good Works") and Cipher Mining Technologies Inc. ("Cipher"), including statements regarding the benefits of the proposed business combination, the anticipated timing of the proposed business combination, the services offered by Cipher and the markets in which Cipher operates, business strategies, debt levels, industry environment, potential growth opportunities, the effects of regulations and Good Works' or Cipher's projected future results. These forward-looking statements generally are identified by the words "believe," "project," "expect," "anticipate," "estimate," "intend," "strategy," "future," "forecast," "opportunity," "plan," "may," "should," "will," "would," "will be," "will continue," "will likely result," and similar expressions (including the negative versions of such words or expressions).

Forward-looking statements are predictions, projections and other statements about future events that are based on current expectations and assumptions and, as a result, are subject to risks and uncertainties. Many factors could cause actual future events to differ materially from the forward-looking statements in this document, including but not limited to: (i) the risk that the proposed business combination may not be completed in a timely manner or at all, which may adversely affect the price of Good Works' securities; (ii) the risk that the proposed business combination may not be completed by Good Works' business combination deadline and the potential failure to obtain an extension of the business combination deadline if sought by Good Works; (iii) the failure to satisfy the conditions to the consummation of the proposed business combination, including the approval of

the proposed business combination by the stockholders of Good Works, the satisfaction of the minimum trust account amount following redemptions by Good Works' public stockholders and the receipt of certain governmental and regulatory approvals; (iv) the effect of the announcement or pendency of the proposed business combination on Cipher's business relationships, performance, and business generally; (v) risks that the proposed business combination disrupts current plans of Cipher and potential difficulties in Cipher employee retention as a result of the proposed business combination; (vi) the outcome of any legal proceedings that may be instituted against Good Works or Cipher related to the agreement and plan of merger or the proposed business combination; (vii) the ability to maintain the listing of Good Works' securities on the NASDAQ; (viii) the price of Good Works' securities, including volatility resulting from changes in the competitive and highly regulated industries in which Cipher plans to operate, variations in performance across competitors, changes in laws and regulations affecting Cipher's business and changes in the combined capital structure; and (ix) the ability to implement business plans, forecasts, and other expectations after the completion of the proposed business combination, and identify and realize additional opportunities. The foregoing list of factors is not exhaustive. You should carefully consider the foregoing factors and the other risks and uncertainties described in Good Works final proxy statement/information statement/prospectus contained in the Form S-4 registration statement described below, including those under "Risk Factors" therein, Quarterly Reports on Form 10-Q and other documents filed by Good Works from time to time with the U.S. Securities and Exchange Commission (the "SEC"). These filings identify and address other important risks and uncertainties that could cause actual events and results to differ materially from those contained in the forward-looking statements. Forward-looking statements speak only as of the date they are made. Readers are cautioned not to put undue reliance on forward-looking statements, and Good Works and Cipher assume no obligation and, except as required by law, do not intend to update or revise these forward-looking statements, whether as a result of new information, future events, or otherwise. Neither Good Works nor Cipher gives any assurance that either Good Works or Cipher will achieve its expectations.
